PLEDGE OF ALLEGIANCE

- Introductory Comments – **Charles Bogle**, Chairman of the Board – Charles made an intro to the meeting with a bit of background of the District.
- Presentation by **Dave Schneider**, District Operations Manager – Dave presented a power point explanation of where the District stands on why rates need to increase.
- Presentation by **Chris Brandewie**, Rural Development Specialist – Environmental, RCAC - Chris presented the charts that the Board has been working from that explain the District's needs for the future. The park subsidization by the customers was brought up and the Road and Bridge's use of treated water on county roads. John Johnston said he is not against the rate increase and he didn't even mind helping pay for the parks. He wasn't interested in paying for Road and Bridge to use treated water on the county roads. Joy Lewis agreed.
- Questions, Comments and Concerns – Joy Lewis asked about damage to her vehicle when driving down Mill Street at night last Summer. She said there weren't any detour signs and there was equipment on the road. She hit a pothole of some sort. She said her electric windows were damaged. Dave apologized and asked her to talk to him after the meeting.
